Summary:
WHAT'S NEW IN 2.0:

- **RELEVANT CASES & EXAMPLES**

  With updated information in each chapter, this textbook will continue to illustrate the relevance of law and ethics to the happenings of the present day.

- **NEW AREAS OF COVERAGE:**

  Agency law, ethics, bankruptcy, consumer protection, debtor-creditor relations, and secured transactions. Some of this material may be contained in one or two new chapters, and some of this material may be added as a new section or sections in an existing chapter.

In writing *The Legal and Ethical Environment of Business*, Terence Lau and Lisa Johnson had simple aims:

- To present the often overwhelming legal environment of business in an exciting and relevant way
- To provide faculty a way of achieving that goal

**This textbook is suitable for these courses:** Legal Environment of Business

**This textbook is suitable for 2 and 4 year institutions.**

**PEDAGOGICAL FEATURES**

- **DISCUSSION QUESTIONS:**

  The questions within each chapter of this textbook encourage critical thought, engagement, and dialogue.

- **INTERACTIVE EXERCISES & VIDEO:**

  These allow students to engage with concepts and apply ideas through hands-on learning.

- **“QUESTION OF ETHICS” SECTIONS:**

  Each chapter contains sections with real world ethical dilemmas relevant to the topic under study.
REAL WORLD APPLICATIONS:

With all of its unique aspects, this textbook allows students to apply concepts in the context of relevant legal environment of business (LEB) topics shaping actual decision-makers’ actions. It’s real world practice in the safety of the classroom environment.

CUSTOMIZABILITY:

The Flat World Knowledge publishing model allows instructors to adapt the textbook to the exact needs of their specific class and student body.
